

~ COME AND SEE ~

Verse 1

We came there desperately, so hopeless and afraid
Until we found the place where Jesus Christ was laid
Our sorrow and our fear were banished on that glorious day
The tomb was empty and the stone was rolled away.

CHORUS

Come and see...See what the Lord has done for you
Come be-lieve-- Out of our death comes life anew
He is raised, He has washed all our sins away,
Lift your praise! Jesus has conquered on this day....

Verse 2

Some stumble on the way, in blindness and in sin
Some find the open door, but fear to enter in
It doesn't matter how, or who, or when or where or why,
All who believe and love shall never never die!

CHORUS

VAMP

Sop: Christ is our Lord and King, O death where is your sting?
+ Alto: (repeat)
+ Tenor
Bass: -- Christ! -- He is our King! ---Death! --Where is your sting?

Verse 3

Go out to all the world and shout the blessed news..
Our lives have been made whole by Christ, the faith we choose
All chains are broken now and those enslaved are all set free,
All people lift your hearts and join the jubilee!

CHORUS
