

Come Unto Me

Come unto Me, come unto Me
All ye that labor and heavy-laden
Oh-oh-oh-oh, Come unto Me, come unto Me,
And I will give you rest.
And I will give you rest.

Chorus

I hear the Savior say
Come unto me and rest
Lie down my weary one, lie down
Thy head upon my breast
Thy head upon my breast

Vamp

Come...
Come...
Come...
You just come.

He's waiting
He's waiting
He's waiting
Standing with His arms wide open

Oh-oh-oh-oh
Why don't you just come!
