

# CONSTANTLY

*I constantly thank you, you constantly bless me.*

*I constantly thank you, for blessing me...*

You turned my world around, in-n you joy I found,  
That's why I constantly thank you, for blessing me...

*I constantly thank you, you constantly bless me.*

*I constantly thank you, for blessing me...*

You made a way for me, a way that I could not see,  
That's why I constantly thank you, for blessing me...

You turned my world around, in-n you joy I found  
That's why I constantly thank you, for blessing me...

When the sun refuses to shine,  
Lord you give me peace of mind  
That's why I say thank you Lord, for blessing me...

*I constantly thank you, you constantly bless me.*

*I constantly thank you, for blessing me...*
