

GOD IS LOVE

Chorus: God is Love, my God is Love
 Jesus gave Himself for us and God is Love

 God is Love, my God is Love (my God is Love)
 Jesus gave Himself for us and God is Love

Verse:

He has shown us a love, by which we can,
Heal the broken heart of every woman and man.

O the Life, that was broken, can now be made One
The wounds that were opened, can be closed again.
