

Great Day

Wonderful, when Jesus comes to me, Glorious, my Savior's face I'll see,
Praise Him! A day to celebrate, the Saints will be going home.

*Verse: I'm going to lay down my heavy load, I'm going to walk
Those streets of gold, I can't wait, 'til I get there,
When the trumpet sounds, I'll be right there, great day!*

Great Day! A day to celebrate! The Saints will be going home.
Vamp: *Great Day (repeated) to end line, above.*

*Verse: What a jubilation it's going to be.
We will be shouting the victory
Singing and dancing all through the streets
What a glorious high time it's going to be.*
