

HE NEVER SLEEPS

He never sleeps, He never slumbers, He watches over me
Both night and day

He never sleeps, He never slumbers,

The reason I know, oh-oh-oh-oh

'Cause He told me so.....

He's in the forest, out on the ocean, He's in the field,
Where the wild flowers grow,

He never sleeps, He never slumbers,

The reason I know, oh-oh-oh-oh

'Cause He told me so.....

CHORUS: He never sleeps (same as beginning..)
