

He Rose

Verse:

I owe God praise for what He's done
He loved me so, that He gave His only son
He came to earth, just to save the lost
While laying down His life, on that rugged cross

Chorus:

The devil thought he had Him,
He thought He was dead
But he didn't know that it was all part of the plan
Cause He rose with all power
In His hands, in His hands

Verse

Chorus

Bridge: (2x)

He conquered death for me
He conquered hell for me
He conquered the grave for me
When He rose, when He rose

Chorus

Vamp:

Hallelujah, He rose
Hallelujah, He rose
He rose for me,
He rose for me, oh yes

Vamp 2:

He rose
