

Hold To God's Unchanging Hand

Time is filled, with swift transition
Naught on earth unmoved can stand
Build your hopes on things eternal,
Hold to God's unchanging hand.

Refrain:

Hold – to God's unchanging hand,
Hold – to God's unchanging hand,
Build your hopes on things eternal,
Hold to God's unchanging hand,
Hold to > God's unchanging hand.

Trust in Him who will not leave you,
Whatsoever years may bring,
If by earthly friends forsaken,
Still more closely to Him cling.

Refrain

(repeat ending: Ahh and Ooooh as directed)
