

I Saw the Light / Come Sing Joy

I saw the light, I saw the light (2x)
(I saw the light) - baritone
I saw the beautiful light, saw the light
Shining all around me
I saw the light, Hallelujah, saw the light from Heaven above.

Come sing joy (arpeggio/5 parts)

Come sing joy, Joy to the world (Come sing joy – baritone repeat)
Come sing joy, Joy to the world
In every heart prepare him room
Sing a sounding joy

(call and response)
You better come
Come sing joy
Make a little joyful
Joyful noise
Fill us with
The light of day
Drive the dark
Of doubt away
Sing a little song
Do a little dance
Sing the praises
While you've got the chance
It's a joyful
Joyful feast
Welcome now
The Prince of Peace

Sing a sounding joy
