

I'll Meet You on the Other Side

I'll meet you on the other side

Where the peace of God will always abide

We'll gather on that distant shore

Where we'll be together evermore

I'll greet you with a holy kiss and maybe we will reminisce

On how we made it over, yes we made it over

through it all, through it all.

It pains me so to take my leave of you

The grief that fills my heart is strange and new.

I know that soon I'll see you once again

But still I cry inside.
