

# I've Got To Love

I've got to love everybody, everybody will, see  
I've got to love everybody, just like the Savior loves me.  
For God gave His Son because He loved everybody so..  
That's the reason..... that is the reason.....  
I've got to love..... (3x)

I can feel the need to love, down in my soul.  
His grace is sweet and it comforts me, and makes me whole.

For God so loved the world, He gave His only begotten Son.  
That is the reason..... that is the reason...  
I've got to love..... (3x)
