

Keep Me In The Time Of Storm

Lord lift me every day, in a pure and perfect way
Lord keep me whole I pray
Keep me in the time of storm

Correct me when I'm wrong
And in my heart a song
With confusion everywhere
Keep me in the time of storm

We don't want to sing for fortune and fame
We just want to sing and praise your Name
Please hear me while I pray
Keep me in the time of storm.
