

## Mine All Mine

I'll weep no more, its time to rise and shine,  
Wipe the tears from my eyes, He'd mine all mine,  
I'll weep no more, I'll hold my head up high,  
I have no cause to cry, He's mine all mine.....

All my cares are gone, all my trials will be past,  
When He passes by, I would want to cry,  
Hold my head up high, Looking toward the sky,

He's mine all mine, Oh yes, He's mine  
I'm in love with Him, He's in love with me....

Look to the hills, from whence cometh my help,  
My help, cometh from Him,  
He made the heavens so high.  
He made the earth so low.  
The moon, the stars, He makes to shine,

So cry no more, wipe the tearts from your eyes  
If you open up your heart, He'll come in,

Confess your sins, He will take you in,  
He loves you too, He loves you too,

If you let Him in, You can say with me.....  
He's mine all mine, Oh yes he's mine (3x)  
He's mine all mine.....all.....mine.....
