

## Never Alone (Fast)

I've seen the lightning flashing  
I've heard the thunder roll  
Sins breakers were crashing  
Trying to conquer my soul  
I heard the voice of Jesus telling me still to fight on  
He promise never to leave me,  
No, never alone, never alone,  
Never Alone, Oh ne-ver,  
Never Alone, never alone,  
He'll never leave you alone.

No matter what the problem,  
Jesus is always there.  
The Savior helps me to carry,  
a cross to heavy to bear  
When I'm low in spirit,  
Jesus is always there  
He'll never leave you alone.
