

P E A C E

All we need, in this world, is to have a time of peace.
A time of life and love, with all guidance from above.
A time we can understand being free,
All in a time of peace..... (2x)

We need peace for our children, so that they may have a better life.
What a joy divine, what a perfect state of mind,
With their worries and cares, left behind,
O what a peaceful time....(3x)
