

**Jesus**  
***Pray for me***

If you could do  
Do anything  
for me in my life  
Pray for meah x 2

one thousand stars  
in the skies at night  
are but my dreams  
That have  
Taken flight

I see where you are  
position of power you have  
Ability to take my sadness away  
Hey, You got the power to pray
