

## Rock Of Salvation

Jesus rock of salvation God of creation you are the Lord.

Hosanna in the highest.

Oh how we love you.

Oh how we bless your name.

There is no one else like you.

No other god

Can do all the wondrous things you have done for me.

Now i lift my voice to sing of the praises i bring unto the king of kings.

HOSANNA in the highest oh how we love you.

Oh how we bless your name
