

Running for Jesus

I've been running for Jesus a long time and I'm not tired yet. (4x)
Through the pouring rain,
Sometimes hurt and pain
I've been running for Jesus a long time and I'm not tired yet.

Vamp

Running for Jesus
You can't stop me, no you can't block me (Sop)
I'm not tired yet (Alto)
I'll let nothing stop me, I'll keep... (Tenor/Bass)

Gotta' keep on runnin'

Keep on, keep on runnin'

Gotta' keep on runnin'
