

Soloists & Choir

Safe

Soloist 1

Resting in Your shadow
hiding just beneath
the healing power of Your wings
safe in Your love

Soloist 2

High above the masses
nestled, comforted
in the bosom of you grace
safe in Your love

Choir

no embrace is quite like Yours
Jesus

No one holds me like You do

No one

Like a haven in a storm

I am safe

in Your love

Safe, Safe

Soloist 3

Higher than an eagle
faith in You provides

all of the wind

i need to fly

safe in Your love

Soloist 4

praying in your spirit

staying close enough

to lay my head

upon Your breast

Safe in Your love

Choir

no embrace is quite like Yours
Jesus

No one holds me like You do

No one

Like a haven in a storm

I am safe

in Your love

Safe, Safe

I wont fear the terror
nor be moved by arrows
That threaten night and day
im safe in Your love

Angles hands shall bear me
to Your secret place
my soul is anchored

Safe in Your love
