

# The King Has Come

---

What a peaceful night, such a holy night, Savior has come (2x)  
People are still searching, but under the star is where I found Him / I found Him (2x)  
The King – has – come (2x)

He was born to send the Word of Peace to every nation  
He was born to be the Light of Hope for all Creation  
The King has come (2x)

So let there be Peace on earth, Goodwill toward men  
So let there be songs of Joy and Love through every land  
The King has come (3x)
