

# Turn Around

---

## Pre-Chorus

I know that we will never part  
Oh how I thank You from my heart  
Blessings abundantly  
You keep making a way for me

## Chorus:

Pressed down shaken together  
and running over  
Jesus made a way for me  
Opened many doors I could not see  
He made a way for me

## Verse 1:

When I was down to the very last dime You did it  
(He made a way)  
I thought He was late, but He was right on time, He did it  
(He made a way)

## Chorus

## Verse 2:

Anything I need I ask in faith I do  
(He made a way)  
Don't you know He makes a way for me  
(He made a way)

## Chorus

He made a way  
He made a way for me

## Vamp 1: 2x

Every time I turn around  
He's making a way

## Vamp 2: 4x

(when will He come through) Every time
