

WAYMAKER

Lord you made a way, When ther was no way
Lord you turned my night, Darkness into day
Lord you picked me up, Turned my life around
Lord you filled my cup, Broke that fallow ground

Lord, you brought me out, I have no doubt

Waymaker! Just a Waymaker! (2x)

(repeat verse)

Vamp: Made a way! YOU made a way.
 Made a way! YOU made a way.
