

## We Offer You Praise

What can we offer unto our God, the mighty Jehovah, the Awesome God. The world and the universe are His art, what can we give to touch His heart.

CHORUS:

We offer you praise (3x) Please accept our offering.

Hallelu, Hallelujah (3x) Please accept our offering.

What can we give as a sacrifice, to the One who has blessed us with breath and life. What do we possess that can pay such a price. All we can offer Him is praise.

CHORUS:

With music and singing and with our dance, Hallulujah resounding with lifted hands, we honor with blessing of one more chance, another chance to offer you praise.

Chorus:

Forever you reign as our King, Forever your praises we'll sing. The Great "I AM," the worthy Lamb, so we bring this praise offering, Oh

CHORUS:

Spanish CHORUS:

Alabamos Senor – Por favor, accepta ofrenda.
