***You Didn't Let Go***

Choir

You were there  
at that time in my life  
You were there  
to catch me

You were there  
at that time in my life  
and You didn't let go  
no, You didn't let go  
(repeat)

mustard seed faith  
just a belief that you can  
relieves me from my sorrows  
honor and glory  
is all that You ask  
redemption soon will follow

(w/choir)

You were there  
at that time in my life  
You were there  
to catch me

You were there  
at that time in my life  
and You didn't let go  
no, You didn't let go  
(repeat)
